# Why Partner with AFIA

The Australian Fodder Industry Association (AFIA) is the national, independent voice for the Australian fodder industry. We connect the entire supply chain – from seed to feed.

The fodder industry is one of the most important industries in Australian agriculture, underpinning production in dairy, livestock, horticulture and other intensive industries. It is for this reason AFIA exists, and since its establishment in 1996, our network of members, sponsors, supporters and engaged participants has worked together to help the fodder industry grow.

Our priorities are focused on supporting our members by:

- building strong communities and understanding their needs
- promoting research and development
- addressing market and trade issues
- monitoring and communicating relevant biosecurity issues, and
- identifying new ways to grow the industry, both domestically and internationally

AFIA is the central hub connecting the fodder supply chain across agriculture sectors, industry and governments. So please join us as we continue to extend our reach by attracting new members, identifying new market opportunities, producing events which educate and inform on relevant and timely topics, and to create a strong fodder industry that inspires future generations to drive this industry forward.

# National Fodder Conference 2025

Sheraton Grand Mirage Resort, Gold Coast  
22 - 24 July 2025

The AFIA National Fodder Conference is returning to the Gold Coast for 2025, and we have secured the fabulous **Sheraton Grand Mirage Resort** from Tuesday 22 July to Thursday 24 July 2025 to hold our annual event.

This year we will have more opportunities for both delegates and sponsors to be involved by offering two jam-packed days filled with:

- Informative sessions
- Interactive workshops
- Panel discussions
- Networking events
- Indoor and outdoor exhibition areas

The conference provides a great opportunity to catch up with friends and peers, establish new relationships, invest in educational opportunities, and identify new ways to support and grow the fodder industry.

We look forward to having you join us for two days on the beautiful Gold Coast, and you may even decide to stay a few extra days to soak up the winter sun.
